Lord we sing your prais - es loud,  
Sing of cross - es and His blood;  
God is why we live and sing;  
God is jus - tice, God is love,  
Life is but a pass - ing glance,

Sing them to the stumb - ling crowd;  
Earth-quakes, dark-ness and the flood.  
We the ser - vants, He the King.  
God is reign - ing from a - bove.  
Seek Him while you have the chance:

Em C G D

Sing of Je - sus and his Word,  
Sing of judg - ment, sing of grace,  
Feel His pow - er, see His life,  
God is sov - 'reign o'er the land,  
We are made of naught but clay,

Sing un - til the earth has heard.  
Sing un - til we see His face.  
Liv - ing in the church His wife.  
Na - tions bow at His com-mand.  
'Til we're changed on that great day.
